

Rajeshkumar Patel

Crane Operator (EOT)

patelrajesh2870@gmail.com • 9898416204

Surat

A dependable and attentive Crane Operator with 28 years of experience in industrial manufacturing environments. Well versed and knowledgeable in industry compliant safety standards.

Professional Experience

(Department-HSM) Essar Steel Limited, Surat, Hazira

December 1993 — March 2016

Crane Operator

At Essar Steel, I operated cranes in various departments. In the Roll Shop, I handled and placed heavy materials with precision. On the Pickling Line, I managed loading and unloading materials while maintaining safety and efficiency. During Equipment Erection, I assisted in setting up and installing new machinery. In the Reheating Furnace area, I moved materials in and out of the furnace, ensuring safe operations. In the Rolling Mill, I supported the rolling process with timely material handling to keep production on schedule.

Al Jazeera Steel, Oman, Muscat

June 2016 — August 2022

Crane Operator

At Al Jazeera in Muscat, Oman, I gained significant experience operating cranes. I worked on various projects, ensuring the safe and efficient handling of materials. My international experience enhanced my skills and broadened my knowledge in crane operations, contributing to my professional growth.
